

Devotional

Planted with Purpose

Scripture:

They will be called oaks of righteousness, a planting of the Lord for the display of his splendor.” – Isaiah 61:3 (NIV)

Devotional Thought:

You weren't planted by accident. God placed you where you are — in this season, in this moment — with intention. Like an oak tree, you are being rooted, strengthened, and prepared to reveal His glory through your life. Even if you feel hidden or slow-growing, take heart: growth is happening beneath the surface.

Journaling Prompt:

In what area of your life do you sense God growing something new? How can you trust Him more in this season of planting?

Prayer:

Lord, help me to trust that You have planted me with intention. Even when I can't see what You're doing, I believe You are growing something beautiful in my life. Keep me rooted in Your truth and steady in Your purpose. Amen.
