

Flourish Where You're Planted

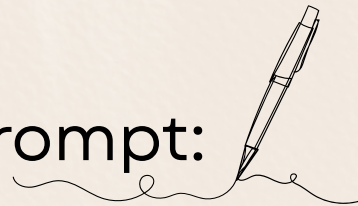

Scripture:

"The righteous will flourish like a palm tree, they will grow like a cedar of Lebanon; planted in the house of the Lord..." – Psalm 92:12-13 (NIV)

Devotional Thought:

Flourishing doesn't always mean changing your location — sometimes it means changing your perspective. When your roots are grounded in God's presence, you can thrive even in difficult places. Stay planted in His Word, water your faith with prayer, and trust that you are growing stronger every day.

Journaling Prompt:

What does flourishing look like in your current situation? How can you stay spiritually rooted this week?

Prayer

God, help me to bloom right where I am. May I stay rooted in You, water my faith daily, and flourish in the season You've placed me. Teach me to trust that I can thrive with You, even in the unexpected. Amen.
